Neighborhood Meeting

The City of Goodyear invites you to a neighborhood meeting to discuss a proposed rezoning of approximately 1,000 acres located on the west side of Rainbow Valley Road, approximately 12 miles south of Interstate 10. More specifically, the property extends from Rainbow Valley Road west to Perryville Road, and from Willis Road on the north to Queen Creek Road on the south. The neighborhood meeting is an informal forum intended for adjacent property owners to learn more about the rezoning, ask questions, and voice any comments about the rezoning. The rezoning application proposes to change the zoning of the 1,000 acres from AU, Agricultural Urban to Final PAD, Planned Area Development. The PAD proposes a mix of residential and commercial land uses. Additional information on the rezoning may be found at goodyearaz.gov/devapps.
